32.66 m2

Description

Nestled at 1,600 meters above sea level in the prestigious ski resort KV16 Peak, the Swissôtel Resort Kolašin offers an unparalleled mountain living experience. This one-bedroom apartment is part of a luxury development designed for comfort, adventure, and relaxation, blending traditional mountain charm with modern amenities. Key Features of the Resort: Exceptional Facilities: Two Swissotel residences, Three world-class restaurants, including à la carte and open kitchen concepts, A retail area, A dedicated ski room for your convenience, ski in – ski out, Exclusive spa and wellness center for ultimate relaxation. Thoughtful Design: Apartments are fully furnished, showcasing interiors inspired by the natural beauty of the surroundings. Elements such as stone, wood, wool, and pastel tones reflect the harmony of the pristine mountain environment, including hundred-year-old spruces and expansive alpine skies. Modern Comforts: The architecture masterfully combines traditional mountain aesthetics with contemporary design, ensuring high-quality finishes and state-of-the-art amenities for a seamless living experience. Explore Kolašin: Located in northern Montenegro at the foot of the stunning Bjelasica mountain range, Kolašin is a haven for outdoor enthusiasts. From skiing and hiking to exploring the nearby Biogradska Gora National Park—one of Europe's last remaining virgin forests—the region offers endless opportunities for adventure. The town is also renowned for its wellness centers, offering a range of treatments for relaxation and rejuvenation.
