Description

A bright 92.88m² two-bedroom home with sea-view glazing, smart-home integration and generous outdoor living. Alba's boutique limestone residences sit within the gated Boka Place enclave—offering an infinity pool, underground parking and concierge service. Boka Place is a master-planned seaside community of just 60 homes, arranged around terraced gardens and a private pebble beach. Winding stone pathways connect to communal olive groves, a beachfront lounge and wellness pavilion, all framed by the dramatic cliffs of the Bay. Just 10 km from historic Kotor and a 15-minute drive to Porto Montenegro's superyacht marina, you're perfectly placed between Adriatic charm and world-class dining, shopping and yachting. The apartment is also available fully furnished and with a parking space for an additional fee.
